They need no recommendation, since they have so fully established their e ficiency through the thousands who have been brought from death's door to renewed health by the use of their wonderful medicinal waters. Since last summer the Chailybeate Spring, which was opened last year, has been thoroughly analyzed by Professor M. B. Harden, of the V. M. I., of Virginia, and by comparison shows it to be Professor M. B. Harden, of the V. M. L. of Virginia, and by comparison shows it to be faily as strong as "Rawley" of carbonate of iron, having a small quantity more than one and a small quantity less than the other two springs. So in addition to the water that has made these springs so famous, the proprietor takes pleasure in announcing that he can furnish those who may need to drink either separately or in connection with the more celebrated waters of these springs a pure carbenate of iron (chalybeate) water, inferior to ate of iron (chalybeate) water, interior to none, and equaled only by Rawley.
